If you are looking to buy a [used BMW 3 Series](#) I would certainly consider visiting Big Motoring World in Kent. They are a long established independent BMW retailer but do not have the huge overheads of the manufacturer franchised dealers. They have cheap used BMW as that is all they stock so have the buying power and onsite facilities and servicing department to look after all your car buyer needs post sale. Their after sale operation is run by ex BMW technicians with the latest diagnostic equipment, so whether you need to service your used BMW 3 Series Coupe or repair the alloy wheels on your used BMW 3 Series Touring, they can definitely look after you at a fraction of the cost.
